# Two Wichita firms to present at GPCC

Wichita Business Journal - by [Chris Moon](#)

Two Wichita companies have been selected to make presentations at the 7th Annual Great Plains Capital Conference, which will be held Sept. 16 at the Wichita Marriott.

**Aero Innovative Research Inc.** and **Xerces LLC** were among 14 companies chosen to make presentations. Other companies came from Overland Park, Lawrence, Lenexa, Shawnee, Junction City, and Kansas City, Mo.

The conference is designed to provide early stage, high-growth Kansas companies the chance to attract seed and early stage financing.

The event's sponsors include **Kansas Technology Enterprise Corporation**, **PIPELINE**, **Kansas Bioscience Authority**, **Polsinelli Shughart PC**, **360 Directories**, **Wichita State University Center for Entrepreneurship**, **Intrust Bank**, WSU Office of Research Administration, **Greater Wichita Economic Development Coalition**, **Martin | Pringle Attorneys at Law**, **Touchstone Venture Management**, **KansasBio**, **Wichita Technology Corporation** and the **Software and Information Technology Association of Kansas** (SITAKS).
